The **Mid Day Café** operates on the QuikLunch debit meal system. This program is a computerized system that allows each student to have his/her own account. Each student is issued a School Lunch Card printed with their unique bar code and photo. The parent deposits money to their child's lunch account. With each lunch purchase, the bar code is scanned, the student's photo and account balance show on the computer screen and then the amount of their purchase is deducted from the balance in their lunch account. The minimum deposit to open an account is \$75.00. Cafeteria deposits to lunch accounts may be made by check, cash or online at <https://www.payschoolscentral.com>. If you are new to the PaySchoolsCentral program you will need to register online and create an account to be able to use the online payment system. Then to link to your child's account you will need their Cafeteria ID number. It can be emailed to you or just ask in the office. Cafeteria checks should be made payable to **St. Ignatius Cafeteria**. All cash payments must be made in the school office. If you are paying for more than one student with one payment, please note how much money is to be designated to each student's account. If you do not specify, the deposit amount will be divided equally between siblings' accounts. All cafeteria purchases are deducted from lunch accounts. No cash is accepted in the lunch room. We encourage you to deposit as much money as possible at one time because it will be easier for you and your child/ren and the cafeteria. To obtain an accurate daily lunch count, we ask that the student order lunch each morning in the classroom. Parents are welcome at anytime for lunch. Please order the morning of the lunch visit. Your lunch costs can be deducted from your child's account.

Low lunch balance notices are emailed, when your child's lunch account is running low (\$10.00 or less) and it is time to make another deposit. This is usually on a Monday afternoon. Please replenish his/her account as soon as possible. If you would like a listing of the items your child has purchased in the cafeteria, call the school office (342-5442) and we will email a listing of their purchases to you.

Lost or damaged School Lunch Cards must be replaced. Please check in the school office for information about replacing School Lunch Cards.

At the end of the school year funds in the system are rolled over to the next year, except in grades advancing to another school.

There is a Returned Check Fee of \$30.00 for any cafeteria check returned by the bank. This fee is added to your tuition account.
